Embossed In Register is the surface embossing to perfectly match the wood grain design under the surface. It reflects the nature of timber.

Wonderwood Premium and Luxe Laminate series achieve an abrasion resistance rating of AC4. It is built for every kind of residential use as well as light commercial use such as offices, cafes and boutiques.

Wonderwood products have been tested by AWTA in three aspects: fire rating, slip resistance and abrasion resistance. Testing report indicates Wonderwood products strictly comply with Australian Standards. To view our full testing report please request by email or visit www.aventinogroup.com

Low Maintenance

Wonderwood Premium and Luxe laminate are easy to clean and maintain. Dust and stains can be easily removed by sweeping and wiping with a damp cloth.
